Dear Sir:

In response to your letter of March 17th I am sending you a sample copy, the first of a series of Numismatic Notes and Monographs, published by our Society. And I take pleasure in enclosing a brief folder describing the activities of the American Numismatic Society, together with an application card in the event that you will consider favorably this invitation to become an Associate Member.

By becoming a member you would receive the subsequent numbers of our publications, and notices of subscriptions to medals issued by us to which you could subscribe or not as the medal may happen to appeal to you.

I assume that you know of the Numismatist, a rather popular monthly periodical.

Very truly yours,

Secretary
